3	1/6/09	H. Res. 5	Motion to commit the resolution that would set the rules for the 111th Congress to a select committee comprised of the majority and minority leaders with instructions that it be reported back after striking language that would restore the minority's right to refer a bill back to committee and language that would remove six-year term limits on committee chairmanships.	YES	Failed	174-249
4	1/6/09	H. Res. 5	Adoption of the resolution that would set the rules for the 111th Congress. It also would remove six-year term limits on committee chairmanships, allow exceptions to pay-as-you-go rules for provisions designated as emergency spending and allow bills that do not meet PAYGO requirements to be combined with other bills that have the offsets.	NO	Passed	242-181
5	1/7/09	H.R. 36	Motion to suspend the rules and pass the bill that would allow a former president to request that the current president claim executive privilege over the release of the past president's records, but not require the current president to	YES	Passed*	359-58
